Winter Walk Day is a province-wide initiative that occurs on the first Wednesday of February. Winter Walk Day was started to encourage Albertans to get up and moving outside during the winter months. MBE SWAT (Student Wellness Action Team) will be hosting Tim Horton's Winter Walk Day on Wednesday, February 5. Our staff and students plan to spend at least **1 hour** walking outside. Please make sure that your child comes to school with proper winter clothing to keep them warm. Ski-pants, toque, boots and mitts are strongly recommended.

MBE is proud to have Steve Harmer from Motivational Magic visiting the school on Thursday, February 27. He will be providing a fun, educational magic assembly show titled "Brilliant and Resilient".

MBE will be joining Alberta Opera on a journey through time to experience the unforgettable story of Sleeping Beauty on Tuesday, February 18.

MBE is very excited to have Brittaneew Fewchuk joining us once a week to run the MBE Skipping Club! Brittaneew grew up participating in skipping competitions which developed her passion for skipping. She wants to share that passion with our students by making the MBE Skipping Club a fun and exciting club. Skipping is a fun activity that promotes a healthy, active lifestyle and positive attitude towards physical activity. Brittaneew has started teaching the basics of skipping and hopes to include more advanced techniques to culminate in a full skipping routine.

We will be hosting the first annual MBE Art Show for the week of February 10-14. Come wander the halls and delight in the artistic talents of our students. The walls of MBE will showcase one piece of artwork from each student's private collection.

There will be a Kindergarten Information Night held upstairs at the Edson Early Learning and Childcare Centre (5501 3rd Avenue) on Wednesday, February 19 from 5:30 - 7pm. There will be representatives from various schools around Edson, as well as, Health Services. MBE will be hosting a kindergarten open house on March 18, more details to follow.
