Life is better at Mary Bergeron Elementary School!

As part of our Physical Education program, all of our classes will be going swimming at Repsol Place during the month of March. Please make sure your child comes prepared to swim on their scheduled swim day.

Last month, our SWAT (Student Wellness Action Team) submitted 6 videos for the CEAT's Random Acts of Kindness Week Video Contest. The videos were awesome! They were so good that SWAT ended up winning a pizza party for their submissions! Congratulations, SWAT!

Our cross country ski program has concluded for the year. Many of the upper grades finished with a great field trip to the Hornbeck Trails just outside of Edson. We can't thank the Muskeg Flyers Nordic Ski Club enough for their help in making those field trips such a memorable and positive experience for our students!

Spring break will be from March 21 - March 31. Enjoy the break with your family! Classes resume on Wednesday, April 1.

 **Have a good Spring Break!**
