Have you Immigrated to Canada?

- Individuals, families and youth who have been living in the community for a short time.
- Individuals, families and youth who have been living in the community for a while but are still in need of help or support.

Free information on a variety of topics and help for people who have immigrated to Canada.

The Settlement Worker can:

- Connect people to the community.
- Offer group and individual information sessions on topics including citizenship information, PR card renewal, language classes, employment help and mental health resources.
- Encourage community involvement through community connections activities
- Offer translation services

- Offer services in English and Mandarin.
- Assist with filling out forms, technology, registration and school information.
- Answer questions about the Settlement Worker in Schools Program.
- Provide needs assessments and settlement plans for adults and youth to help reach goals.
